

ASHLAND YMCA PRESCHOOL

Welcome to the YMCA Preschool! THIS PROGRAM IS FOR 3-5 YEAR OLDS WHO ARE **POTTY TRAINED.** The registration packet has several important documents that must be completed in full for your child to participate in our program. Be sure to answer each question completely, no matter how repetitive they may seem. **ALL** forms, fees (including outstanding bills) and information **MUST** be complete before your child can be accepted. The completed packet needs to be returned a minimum of 48 hours before the intended start date. If the form does not apply to your child, please put your child's name on it and sign with some indication that it does not pertain to you. To receive the member price, you **MUST** have up to date membership or Partner with Youth eligibility. The registration fee is \$25 dollars, please return packet with a check or cash to be placed in the Child Development Director's mailbox to be processed. The registration fee is non-refundable. If you plan to do scheduled payments the fee may be scheduled, and it will be set to be paid one week after registration is processed. If you attend 12 months a year and are a current family you do not need to pay the registration fee. The front desk will not process your registration, this needs to be done by the Child Development Director to be following state regulations properly. After completion of the registration materials, the administrator will review your paperwork and the registration process will be finalized at that time. You will receive a welcome letter and updates by way of email about important dates and materials, so please be sure to include an email address for communication. Most communication will be through email so please check often while attending our program. If you have any questions, please feel free to contact Christie Krumlaw. We are so excited for our new year to begin and look forward to meeting all of your families! In September or your date of registration completion, you will receive an Ages and Stages Questionnaire to complete and return on the next day of school. If you have any further questions or concerns do not hesitate to reach out, use the phone number or email address listed below.

Most sincerely,

Christie Krumlaw

Christie Krumlaw Ashland YMCA Child Development Director <u>ckrumlaw@ashlandy.org</u> 419-289-0626

PLEASE NOTE: The fees for families attending All Day Care account for breaks and snow days, that amount has not been accounted for in the half day or full day preschool prices. If you attend Full Day Preschool and will need care on these days there will be a \$45 for members charge and advance notice is needed. If you show up the day of, without previous arrangements, it will cost an additional \$10.

Financial Agreement

I agree to pay the Ashland YMCA Preschool the stated amount of tuition indicated for my child's care. Tuition is due September through May. A two week notice of withdrawal is required from preschool. To receive the member rate, I understand that my child must be an active member. Tuition is due monthly by the first week of each month, and a late fee of \$20 will be assessed after the 10th of that month.

JFS Families only: If I am a JFS family I will have all proper paperwork completed before attendance begins and will keep up on my entries to receive these benefits. If I am more than 10 days behind on entries, I agree that I will self-pay for the time that has been used at the rate of \$45/day.

Support Identification

In an attempt to provide a supportive learning environment and promote positive behaviors, we recognize supports and accommodations enable children to reach their fullest potential in a safe environment. Therefore, we have identified several types of strategies that may be helpful to participants. We also recognize that the introduction of these strategies may impact our staff to child ratio and the well-being of all the children in attendance.

For all applicants, we are documenting and reviewing supports identified by the parents/caregivers as they enroll their child in the program. With this information we determine if we are capable of providing a safe and effective learning environment, we make decisions on whether we are the appropriate placement for each child who desires to enroll in the YMCA program.

Support Definitions

Behavioral Supports- intended to minimize challenging behaviors. These behaviors are intended to communicate and when attempting to eliminate behavior child's frustration may be magnified. Professionals need to pinpoint what is being communicated and what environmental factors are contributing to the behaviors. When it is known what is communicated and contributes to the behavior positive support can be implemented to eliminate the risk of behaviors being displayed.

Communication Supports- intended to ensure the child understands thoroughly what is expected. Each intervention must be clear and purposeful in communication through verbal, nonverbal and kinesthetic feedback. Professionals will willingly communicate expectations, requests, and acceptable behavior parameters to create motivating and safe environments. The communication the child receives will assist them in being able to sort out what is important and respond to what they hear.

Health Supports- intended to accommodate physiological well-being and function at their maximum capacity. The use of proper diet, rest, pain management and sunlight exposure is managed. Use of quiet spaces to help regain composure as well as medications and physical activity levels will be monitored to support the child.

Instructional-leadership Supports- intended to support engagement. Professionals will plan and structure predictable environments to focus on strengths and goals.

Natural Supports- intended to be support from a family member whose preferences support the child. Support occurs when there are balanced meals and there are designated areas for appropriate choices.

Organizational Supports- intended to be supports given by collaborative team of professionals and care givers. An inclusive plan will be developed to support the child and a zero-tolerance approach will be taken to implement the support.

Social Supports- intended to help the child gain social competence, become aware of social expectations, gain information through interactions and exchange feelings during an experience.

Transition Supports- intended to help the child transition from one location to another or to another program. This support can also be used to move from one activity to another within the classroom.

Universal Design and Program Supports- intended to assist in designing structures for all children regardless of ability. Barriers are minimized and access is maximized by, for example, signs and checklists to cue children. Multiple engagement opportunities are offered to include children with a range of diverse abilities and skills.
